Forecast For Wales
Issued by Met Office Exeter
at 1600 on Sunday 27 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain arriving in south overnight, turning lighter and widespread Monday.

This Evening and Tonight:
Rain will continue to feed into south Wales during the evening with drier conditions further north. Overnight, rain will turn heavy at times as it moves northwards across the country. Minimum temperature 12 deg C (54 deg F).

Monday:
A dull start with lingering rain during the morning. Turning drier in the afternoon though rather cloudy with scattered showers later. Feeling muggy for many. Maximum temperature 22 deg C (72 deg F).

Outlook for Tuesday to Thursday:
Cloudy with showery outbreaks on Tuesday, these turning lighter and rarer Wednesday onwards. Warm, especially in the sunshine, with the best of the fine weather on Thursday.
